WERRINGTONS NEWS

KETTERING EDITION TRADITIONAL FISH AND CHIPS EST 1935

NEARLY 100 YEARS OF SERVING GREAT FISH AND CHIPS

WERRINGTONS is a family run traditional fish and chip shop established circa 1935 in Peterborough closing only during the Second World War.

We have been serving quality fish and chips for nearly a century and have been in Kettering for 20 years.

We have been awarded numerous local accolades including *Connect FM Northants* best fish and chips; runners-up in the *Northamptonshire Evening Telegraph* best fish and chip shop and a national *Sea Fish Friers* quality award.

Last but not least we have won the Scouts' best fish and chip shop award several times.

Our customers travel from as far afield as Geddington, Broughton and Burton Latimer - because they understand the importance of quality and value.

We pride ourselves on our freshly delivered haddock, our lightly battered thick filleted skinless and boneless cod and our proper thick chips (the thicker the chips the fewer the calories).
